STEEL FENCE SOLUTIONS

Designmaster Fence is changing the way America fences, with steel-strong commercial and residential fence for virtually every need, from maximum security to ornamental projects.

Our incomparable quality, product diversity, maintenance-free finishes and competitive pricing give you every reason to choose **Designmaster**. Our customer-centric attention to detail and a 25-year limited warranty ensure your satisfaction and peace of mind.

MIAMI DADE CERTIFIED

The strength and durability of steel merge with style and elegance to produce a fencing system that is **Miami-Dade** certified with the highest rating of any Welded Steel Wire Fencing System, High Velocity Hurricane Zone (HVHZ).

Miami-Dade certification is recognized worldwide as the standard for products that can withstand the most severe weather and wind loads.

NON-TOXIC POWDER COATING

The finish on all Designmaster Fence components is 100% free of Volatile Organic Compounds and Triglycidyl Isocyanurate, (both of which are known carcinogens). This makes Designmaster Fence the best choice for public areas, schools, daycare centers, zoos, parks, stadiums, and anyplace else where people or animals may contact the fence.

CLASSIC

CLEAR SEE-THROUGH DESIGN | TIMELESS BEAUTY
MID-LEVEL SECURITY STRENGTH

When beauty factors into perimeter security, **Classic's** stately elegance is an incomparable choice.

Difficult to climb or penetrate, made to last, and competitively priced, Classic's V-shaped braces along the length of each steel panel add lateral strength, and its adaptability to elevation and directional changes (120° swing) make this fence ideal for nearly any application.
